Introduction

Dear Colleagues

I feel very honoured to have been elected as President of the BDA CDS Group and am delighted to invite you to join me at Cheltenham Racecourse for the 2017 BDA CDS Group Annual Presidential and Scientific Meeting.

This year's conference recognises the challenges that dental teams working within community dental services are required to manage on a daily basis – there are many situations that at first may appear to be a 'Mission Impossible'.

Our speakers this year are tasked with sharing their professional expertise and knowledge, with their intrepid dental team members, with the aim of increasing confidence and enthusiasm in providing patient centred care for our community patients in the primary care setting.

The sessions will cover topics including risk management for the GA patient and those at risk of infective endocarditis, treatment planning for the 'doomed dentition' where complex medical conditions will influence the possibilities for restorative care, understanding the anxious patient and the links with safeguarding issues and urgent dental care for the patient in pain.

The open forum and AGM will take place during the conference and provide an opportunity to raise issues of concern and share the reports of the work of BDA CDS Group. We are always looking for people to join the committee, I hope this will inspire some of you to consider volunteering!

The social events include an informal dinner on Wednesday evening at Côte Brasserie restaurant followed by the traditional quiz to determine who is worthy of the 'Bath and Beyond' trophy. The Black-Tie dinner this year will be held in the Regency Suite of the Queens Hotel where an evening of fine food and conversation is planned, together with the opportunity to be whisked around the dance floor.

I look forward to welcoming you to Cheltenham and remember:

Your mission – should you choose to accept – community dentistry!

Diana Gould, President-Elect BDA CDS Group

Diana qualified from Bristol in 1982 and accepted a job as dental officer in the Gloucestershire Community Dental Service. This was the beginning of a 34 year (so far) career within CDS. In 1996, as Senior Dental Officer for Oral Health Promotion and Epidemiology, she enjoyed the role of South

West trainer for the oral health survey teams alongside a clinical role in providing care for paediatric and special care patients. Diana is currently Clinical Director of the Gloucestershire Care Services NHS Trust CDS and a Specialist in Special Care Dentistry and was, until recently, the course tutor for the Bristol University Open Learning for Dentists (BUOLD) Special Care Dentistry course.

Programme

Wednesday 4 October 2017

Côte Brasserie, Cheltenham

20:00 Welcome dinner and quiz

Hosted by President-Elect Diana Gould

Thursday 5 October 2017

Cheltenham Racecourse

09:00 Registration, refreshments and exhibition

09:30 Introduction, valedictory address and installation of president

Session 1 – Managing the risks: decision making for the dental team and patient

10:00 Risk assessment and management of the GA dental patient with special needs

- Understand the major risk factors associated with general anaesthesia
- Appreciate the additional risk factors associated with the special needs patient
- Management of the special needs patient pre and peri-operatively.

David Gabbott, Consultant Anaesthetist, Gloucestershire Hospitals NHS Foundation Trust

10:45 Antibiotic prophylaxis against infective endocarditis – an update on current guidance for the dental practitioner

- Which patients are high risk for infective endocarditis
- The responsibility of the dentist in managing the risk
- Deciding on the most appropriate antibiotic regime if required.

Mark Dayer, Consultant Cardiologist, Taunton and Somerset NHS Trust

11:30 Refreshments, exhibition and poster display

12:00 The Mental Capacity Act – 10 years on

- An overview and update on the Mental Capacity Act and DoLS including relevant case law.

- How to show the CQC your service is complying with the Act.

Balqees Bi, Specialist in Special Care Dentistry, Leeds Community Healthcare

12:50 Lunch, exhibition and poster display

Session 2 – Treatment planning for the doomed dentition: tackling the compromised dentition for patients requiring special care dentistry

13:50 Age is not the only enemy

- Understand aetiology and risk factors for dental disease in all adults with additional needs
- Underpinning the importance of diagnosis of aetiology and tailoring prevention and acclimatisation
- Simple principles for predictable care and long term outcomes

Petrina Wood, Consultant in Special Care Dentistry, University of Manchester Dental Hospital Central Manchester NHS Foundation Trust

14:50 Refreshments, exhibition and poster display

15:20 Care for the heavy metal generation

- Understanding aging in relation to dental care for the whole population
- Treatment planning for failure in the older patient with additional needs
- Managing expectations of patients, carers and family

Petrina Wood, Consultant in Special Care Dentistry, University of Manchester Dental Hospital Central Manchester NHS Foundation Trust

16:20 Close

19:30 Drinks reception

Queens Hotel, Cheltenham

20:00 Black-Tie dinner

Queens Hotel, Cheltenham

Programme

Friday 6 October 2017

Session 3 – Understanding the anxious patient

09:00 Registration, refreshments and exhibition

09:30 Dental anxiety, fears and phobias: acquisition and management

- Establish a basic understanding of the physiology and psychology behind dental anxiety
- Gain a knowledge of the acquisition of dental anxiety and its multifactorial nature
- Develop an understanding of management strategies and care pathways for dentally anxious and phobic patients.

Leah Adams, GDP, Arnica Dental Care, Cheltenham

10:15 Safeguarding in dentistry: what dentists need to know about the impact of abuse

- Who has the legal responsibility for a child?
- The lasting impact of abuse on survivors and how that can affect their ability to look after their teeth
- Your responsibilities.

Joanna Nicolas, Child Protection Consultant and Trainer

11:00 Patient experience

11:15 Refreshments, exhibition and poster display

Session 4 – Urgent care for the patient in pain

11:45 The trials and tribulations of local anaesthesia: tips on success and potential pitfalls

- Understand recent developments in pain diagnosis and management
- What local anaesthetics to use and where
- What systemic complications can arise from LA and how best to avoid them.

Tara Renton, Professor Oral Surgery, Kings College London

12:35 Lunch, exhibition and poster display
Raffle prize winners on display

13:35 Minor oral surgery for the urgent care patient

- Discuss the assessment and planning for minor oral surgery
- Review instruments and equipment
- Explore techniques for extraction and failure
- Review managing acute infection.

Chris Bell, Associate Specialist and Honorary Senior Lecturer in Oral Surgery and Dental Science, Bristol Dental Hospital

14:25 When does urgent become emergency for the dental patient?

- Understanding the implications of deep neck fascial infection in urgent dental care
- Early identification of a developing dental emergency situation

Barry G Main, National Institute for Health Research Clinical Lecturer in Oral and Maxillofacial Surgery, University of Bristol

Programme

Session 5 – Open Forum and AGM

15:15 Open Forum

15:45 Annual General Meeting
(for BDA members)

16.30 Close

Speaker biographies

Speaker biographies can be found online at bda.org/cdsconference2017-speakers

Don't forget to enter the annual BDA CDS Group Presidential and Scientific Meeting poster competition.

There are two categories:

- 1 For trainees working within SPCDS and
- 2 For service development projects/audits for the whole dental team within SPCDS.

Prizes will be awarded for the three best posters in each category.

Entrants must complete an application form by Friday 1 September 2017. Posters to be submitted by as a PDF or Word document by Friday 22 September 2017 and will be judged before the conference.

Posters are to be displayed at the conference.
