## About the British Dental Association

The British Dental Association (BDA) occupies a unique place in UK dentistry. With over 14,000 members, our connections with the profession are unparalleled, allowing our voice to be heard by government, policy makers and regulators, nationally and internationally.

## Branch and Section Events

Exhibition and sponsorship opportunities are also available at our locally organised Branch and Section face to face events. There is a growing network of regional events each year with the opportunity to provide speakers for 1-2 hour evening lectures. Clinical topics and speakers usually attract the most attendees. If you have premises that can host interactive, hands-on workshops then this would be of interest to the Branches and Sections too.

To be put in touch with the right person locally please contact Susan Graves in the first instance.

## Why Exhibit or Sponsor at a BDA event?

- Reach your desired audience over a focused seminar, training course or conference, providing your organisation the opportunity to meet face to face with dentists and the dental team
- The BDA is the association membership body available for all dentists in the UK, consequently our events are key dates to meet and engage with dentists
- By exhibiting at BDA events and activities you are helping support dentistry, as the BDA's sole purpose of running events is to support the profession
- Dentists have the time at BDA events to research, source and engage with organisations, therefore our events are a valuable occasion for the industry and dental profession to engage.

# BDA Events

Exhibiting at a BDA Event provides an excellent opportunity to meet and interact with dentists and their teams, gather data, showcase your products and increase sales all in a friendly relaxed atmosphere.
