A message from the president

Philip McLorinan

Branch President 2023

Re-connecting in 2023

It is a great honour for me to accept the position of Northern Ireland President for 2023. I have been a practicing general practitioner for almost 25 years now and have been an active member of the British Dental Association ever since my student days. Whilst practicing and running a busy dental practice I have continued to be involved in NI Branch Council, in roles of Student Convenor and more recently Social Secretary.

It is massive compliment paid to me by the Branch to be President for 2023, as this year sees the NI Branch celebrate 100 years of its formation. The Branch came into existence on 27th January 1923 after the former Irish Branch of the BDA was dissolved. It is amazing that on the same date 100 years later that I will be installed as the latest NI Branch President.

I am delighted that we have returned to much needed Face-to-Face meetings again and as you will see in the programme, we have put together a range of educational and social events throughout the year. These events are important for our continuing dental education, but I believe even more importantly, given the challenges of the

past few years, it is the opportunity to come out, meet colleagues, and Re-connect with each other.

The role of Branch President is only made possible by the work of others. My thanks are due to NI Branch Council Officers for their diligence throughout the year. Thanks also to the team in BDA NI Office who encourage me to make sure that the right information gets to you in a timely and planned fashion. A big thanks must go to our sponsors who, without their support our branch would not be so active. We have forged highly valuable relationships with our sponsors which bring benefit to all. You will have many opportunities to meet with our sponsors at events throughout the year and I would encourage you to do so.

I would particularly like to draw your attention to mark a date in your diary for the 100 Year Gala Ball which will be held in Belfast City Hall on Saturday 7th October 2023, hopefully we will have a great turn out and the City Hall will be lit up BDA Blue on the night... this is an event not to be missed.

The past few years have been challenging on many fronts for all, I hope that in my year as president we will all take the opportunity to Re-connect with colleagues.

A message from the BDA Northern Ireland Director

Tristen Kelso

BDA NI Director

It's an honour to commend to you this special centenary Programme of the BDA Northern Ireland Branch.

Our NI Branch Council members, under the leadership of our incoming Branch President Philip McLorinan have worked hard behind the scenes to put together a varied and informative annual CPD and social Programme for 2023.

Northern Ireland makes a valuable contribution to the BDA at a national level. What we lack in size, we more than make up for in the tireless commitment of local members working for the advancement of their profession, and in supporting their peers in our local dental community.

It's testament to the success of the Northern Ireland Branch that Richard Graham has been nominated to serve as National President for 2024/25, following close on the heels of Roz McMullan's Presidential year. And our outgoing Branch President Peter Crooks continues to play an important leadership role as Vice-Chair, and Northern Ireland representative of the BDA Principal Executive Committee.

A key function of BDA is to provide effective representation on behalf of the dental profession. We are the voice of the profession in our engagements with government at all levels, the media and other key stakeholders as we seek to effect change.

I am proud of some of the important wins we have worked hard to secure over the past year, including:

- Reduction in frequency of RQIA inspections to every 2 years
- £5m Revenue Grant Scheme & continuation of RSS interim support in GDS

- Dental Workforce issues back on the agenda, including need for a CDS Review & highlighting pay disparity impacting on recruitment and retention of Hospital trainees
- Launch of BDA NI Dental Reform Manifesto at Stormont in March, followed by regular engagement with Minister, Permanent Secretary, Assembly Health Committee and MLAs
- High profile media outputs, including most notably our work with the BBC on the Dental Access crisis

This vital work would simply not be possible without the commitment of our elected representatives, and particularly the chairs of our Committees. I thank Ciara Gallagher, Roz McMullan and Ann McAreavey for all the work they do on your behalf through NIDPC, NI Council and NICDC respectively.

As Branch marks it's 100 years, the importance of a dental community where everyone feels welcome, where all crafts are effectively represented under strong leadership and a clear vision for the future - where you have access to the advice and support you need in these changing times - the relevance of BDA is greater than ever.

Finally, on behalf of the BDA Northern Ireland team we trust you will feel real value from your BDA membership, and a part of your dental community. We thank you for your continued support, and we look forward to a memorable year ahead for the right reasons.

CPD Branch Programme FAQs

The Branch programme theme for 2023 is 'Reconnecting'. The past few years have been challenging on many fronts for all, we hope that during 2023 we will all take the opportunity to Re-connect with colleagues.

Who can attend?

BDA NI Branch events are open to both members and non-members.

Members - Free
Non-members - £45*
DCPs - £45*

* Unless otherwise stated

If you would like to benefit from free CPD lectures, please visit bda.org/join

Venue information

Branch CPD events will be held in the Malone Hotel, 60 Eglantine Avenue, Malone Road, Belfast, BT9 6DY, unless otherwise stated.

The hotel is situated off the Malone Road and has car parking facilities. More information is available at www.themalonehotel.com

Booking Branch events

All Branch events must now be booked online in advance. Members should visit bda.org/bse to book using your BDA website ID.

Just sign in at the event. After the event you will receive a link to your BDA certificate portal where you can store and download any of your BDA event certificates.

CPD allowance and tracking

Events meet the educational criteria set by the GDC for verifiable CPD, unless otherwise stated, and are certified by the BDA. CPD usually equates to 2.5 hours.

Running order

18:45 Registration and exhibition
19:00 Hot Topic
19:45 Refreshments and exhibition
20:00 Lecture and Q&A
21:30 Close

Feedback

Anonymised feedback forms are available at the end of each event. Please let us know how we can work to improve our events.

Sponsors

Sponsors are vital to our CPD programmes success. Please take the time to speak with sponsors at events and add value to your CPD experience.

Contact

If you have any questions about booking or need more information, contact branchsectionevents@bda.org or call **0207 563 4590**.

BDA Northern Ireland and National Committees

Democracy is at the heart of the BDA Northern Ireland Committees. Members are elected triennially to represent their peers and they negotiate, lobby and develop policy on your behalf. They provide an important link, sharing knowledge and experience of front-line care to help inform these decision-making processes.

Northern Ireland Branch Council President, elected officers and members, work to create and deliver local high quality CPD lectures and dedicated social events for BDA members. It provides a fantastic opportunity to network, learn and develop professionally.

Northern Ireland Dental Practice Committee represents dentists in general practice across Northern Ireland. They are a decision-making, craft committee which negotiates on contractual and policy issues and works closely with other stakeholder organisations to ensure members are represented.

Northern Ireland Community Dentists Committee represents dentists in community practice across Northern Ireland. They are a decision making, craft committee which negotiates on contractual terms and conditions and lobbies on issues of importance in Community Dentistry.

Northern Ireland Council has representation from the Branch and craft committees, including hospital representation and feeds member issues to UK Council, ensuring they are heard at the highest BDA level. They discuss wider professional issues beyond the dental crafts such as European matters, dental education and workforce issues.

BDA Principal Executive Committee is the highest decision-making body within the BDA. It sets the strategic direction of the organisation and is made up of representatives from all crafts of dentistry, which are elected directly by the membership and act on their behalf.

UK Council The representatives in all the country councils meet as the UK Council, to discuss matters of common concern brought by the various local bodies. The UK Council has an important role on behalf of members in holding the PEC to account on behalf of members.

CHARITY FOR ALL DENTISTS

The BDA Benevolent Fund

The BDA Benevolent Fund supports dental students, dentists and their families in financial need living in the UK whether they are in training, in practice, have left the profession or are retired. Physical or mental illness, accident, divorce, bereavement or work-related problems can all change a person's life.

We aim to help dentists resolve their financial difficulties by getting them financially independent, either by returning to work in dentistry or with a new opportunity.

Our help is tailored to the individual and often in the form of crucial financial assistance but also a friendly and helpful voice, someone who will listen as well as signposting to other sources of help. In the words of one of our applicants;

"I would like to thank all at the Ben Fund for all your help and support. You have helped to transform an existence into a life"

If you, or someone you know, is facing financial difficulties, please contact BDA Benevolent Fund, in confidence, on **020 7486 4994**, or visit www.bdabenevolentfund.org.uk for more information and an application form.

Without the help of our generous donors, we could not continue to provide vital support. To donate please visit www.bdabenevolentfund.org.uk/donate/ and consider Gift Aiding your donation enabling us to claim an extra 25%.

CHARITY FOR ALL

DENTISTS

020 7486 4994

Supporting dental students, dentists and their dependents living in the UK

The BDA Benevolent Fund has been supporting the dental profession throughout the UK since 1883. Help is usually given as grants for day-to-day essential expenditure such as contributions towards rent or mortgages, bills and food as well as enabling people to return to work, in dentistry or otherwise by assisting with expenditure relating to initial travel, indemnity or CPD.

"I can't express my gratitude for your help. It will give me the opportunity to focus on University and get my financials in order. Many thanks for your support."

Dental Student, Kings College, London
