(Monday to Friday 09:00-17:00)

Speakers

Ali Chohan, Dental Practice Advisor,
NHS England and GDC

Jin Vaghela, Founder, Smile Clinic
Group and Smile Dental Academy

Ali and Jin are two of the most enthusiastic and engaging dental educators working today. They will describe a range of clinical skills that will equip you for the next ten years of your professional life. As part of this symposium, they will cover a range of fascinating and innovative topics. Over three sessions they will explore these concepts to future proof your career.

Learning objectives

- Deliver effective Minimum Intervention Oral Care (MIOC)
- Provide reliable adhesive dentistry
- Manage tooth wear cases
- Employ efficient and communication techniques
- Describe the application of Neurolinguistics in clinical communication.
